Old Business-

Corinne Blaydon asked if Wehrungs or other businesses could donate materials for maintenance, replacements, or upgrades.

New Business-

Update on Potential Park name change- There was a brief discussion on Pros and Cons

A brief discussion took place regarding the Supervisor's response to Four Brooks Park Proposal. There may be a need to balance the desires of the DCNR regarding greater ADA access and the desires of the Tinicum Conservancy regarding minimal site disturbance. It is possible that the current proposal may need to evolve over time.

Budget request for 2027 activities-Tree Lighting event, Trunk or treat event. It was suggested that a request be made for a lump sum Parks & Rec budget that could be issued as needed for materials associated with various public events that have not yet been organized. This amount would not include the funds traditionally set aside for grass mowing and misc. maintenance by the Road crew.

Status updates on potential future 2026 events and timing

October 24, 2026-Terry Johnston heading this: Patti Dunkelberger will be helping with getting the fliers in the Friday folders and other things when she can, Robin Lochner reported that Wehrung's will be donating a large gift basket, Corinne has gotten a gift, again from Pet's plus, a gift card from Wawa and Dunkin Donuts gift card…Shelby Labs will have a trunk, other businesses as well, Cooper Mechanical are not available to attend but will contribute candy or a prize, Vicky Dexheimer will be helping with trunk or treat; judging.

December 4, 2026-Holiday Tree lighting event, -needs: extension cords, lights, paint, candy canes, key club kids costumes, peanut butter and bird seed for pinecone tree ornament (Corinne will ask Giant to donate the last two).

Corinne will meet with the decoration subcommittee and send an invite to the Nathans family for the event.

We also discussed the possibility of a spring covered dish community picnic, farmers market, or live music event.

Motion to Adjourn was called at 8:20pm by J. Blaydon, seconded by R. Lochner
