Announcements:

- There was discussion of having table at the Tinicum Arts Festival. Pre-Pandemic LPC shared a table with Tinicum Conservancy and distributed a booklet with information and contact information for LPC. It was decided that we don't need our own table. We will contact Jim Engel to ask if they would like us to have our information available at their table.

- Luke will send us the Tinicum Conservancy link with our sign in names for access to our assigned properties. The left side of the page has our individual assignments listed. The page has tabs with notes and landowner information.

Executive Session was opened at 8:05 pm for the purpose of discussing properties currently under negotiation for obtaining the conservation easements. The executive session closed at 9:00 PM.

Continuation of Public Meeting 9:00 PM

- We need to send out annual letters to property owners a.s.a.p. Letters are typically sent in early Spring. We will include brochures (if they are available) along with letter. We can ask Teri to print labels and stamp envelopes. Larger envelopes will be needed if including brochures.
- We assigned an action to continue to work on and review the letter that was written last year.

The meeting was adjourned at 9:15 PM.
