For in person reviews may take place in the building per appointment.

Requests shall be made in writing to the Township Open Records Officers on the form provided by the Township, see website for current version. A Request must describe each requested record with sufficient specificity for the ORO to determine which record is being requested and whether it is in ORO possession. Right to Know requests for zoning opinions and/or zoning questions will not be accepted. The Township reserves the right to deny an anonymous request.

Fees

Paper copies shall be .25 cents per page per side. The certification of a record is \$1 per record. Specialized documents included, but not limited to blue prints, color copies, and non-standard sized documents shall be charged the actual cost of production. If mailing is requested, the cost of postage will be charged. The Township shall require prepayment if the total fees are estimated to exceed \$100. For extremely large files or documents that cannot be easily scanned or copied (sizes larger than 11 x 17) additional time may be required or in person review of the documents may be scheduled and additional fees incurred.

Response

The Township shall make a good faith effort to provide the requested public record(s) as promptly as possible. The Open Records Officers shall cooperate with those requesting records to review and/or duplicate original Township documents while taking reasonable measures to protect Township documents from the possibility of theft, damage, and/or modification. The Open Records Officers shall review all written requests for access to public records. As soon as possible, but no later than five business days after receiving a written request to access public records, the Open Records Officers shall respond to such requests in writing consistent with Act 3 of 2008, the Right-to-Know Law.
