Public Comment

Continuous Monitoring Network (CMN)

1. Update on ENO units has been sent back for a data chip update for the date stamp and GW level data access.

Static Water Level (SWL) Network

1. Dr. Donovan and M. Lennon have completed spring updates. Results are on the website.

## Township Activities

- Nockamixon
  1. Teri Lewis, Township manager, has transferred BNTGMC funds to ECO-Bucks
- Tinicum
  1. Judith Danko, Township Manager, has sent the draft GW ordinance to BNTGMC for comment. Dr. Baehr has reviewed the draft and prepared comments.
  2. BoS approved consideration to continue discussion on the GW ordinance with Supervisors, Planning Commission, Township Engineer, and BNTGMC. T. Eckhoff spoke with Judith Danko regarding the proposed dates for the ordinance discussion. Ms. Danko will send email with dates the BoS and Township Engineer are available for discussion in July and August.
- Bridgeton
  1. Boarshead Farm – Dr. Donovan has been in contact with USEPA, and BNTGMC will get a current well water sample in the next round of sampling by USEPA. Dr. Donovan is investigating certified lab capabilities for GCMS scan.

## Old Business

1. Funding –
2. BCCD Grant – was on the BCCD July 8, 2026, agenda.

## New Business

1. ENO units sent back for repair - update
2. BCCD grant proposal submitted and on the BCCD July 8, 2026, agenda

## Member Concerns/Ancillary Updates

1. The Lower Del. Wild & Scenic Management Council Meeting on Thursday, June 18, 2026, talked about the DRBC PFAS Year 3 report on PFAS in the Delaware River. Dr. Donovan attended the 10:00 AM meeting and provided a synopsis of the presentation and data analysis.
2. Website update – member picture and profile

The BNTGMC's next meeting is scheduled for 7:30 PM at the Nockamixon Township Building and via Zoom.
