Public Comment

Continuous Monitoring Network (CMN)

1. ENO units have been sent back for a data chip update for the date stamp and GW level data access. Units were lost in return transit. ENO is working with UPS on the claims process. B. Ballantine will contact ENO and order two (2) additional units while the investigation proceeds.

Static Water Level (SWL) Network

1. Dr. Donovan and M. Lennon have completed spring updates. Results are on the website.
2. Dr. Donovan will ping the Brown Stone Road well for a current reading.

Township Activities

- Nockamixon
 1. Teri Lewis, Township Manager, has transferred BNTGMC funds to ECO-Bucks
- Tinicum
 1. Judith Danko, Township Manager, has sent the draft GW ordinance to BNTGMC for comment. Dr. Baehr has reviewed the draft and prepared comments.
 2. BoS approved consideration to continue discussion on the GW ordinance with Supervisors, Planning Commission, Township Engineer, and BNTGMC. T. Eckhoff spoke with Judith Danko regarding the proposed dates for the ordinance discussion. Ms. Danko will send email with dates the BoS and Township Engineer are available for discussion in July and August.
- Bridgeton
 1. Boarshead Farm – Dr. Donovan has been in contact with USEPA, and BNTGMC will get a current well water sample in the next round of sampling by USEPA. Dr. Donovan is investigating certified lab capabilities for GCMS scan.

Old Business

1. BCCD Grant – was on the BCCD July 8, 2026, agenda.

New Business

1. ENO units sent back for repair. B. Ballantine and Dr. Donovan are overseeing this process.
2. BCCD grant proposal submitted and on the BCCD July 8, 2026, agenda. BNTGMC grant application was approved.
3. T. Eckhoff will send a letter request to the Townships for the \$500.00 “partnership” contribution when the formal grant approval letter is received.

Member Concerns/Ancillary Updates

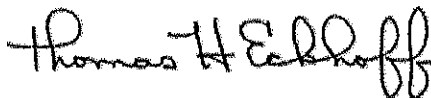

1. The Lower Del. Wild & Scenic Management Council Meeting on Thursday, June 18, 2026, talked about the DRBC PFAS Year 3 report on PFAS in the Delaware River. Dr. Donovan attended the 10:00 AM meeting and provided a synopsis of the presentation and data analysis.
